LinkedIn: www.linkedin.com/in/shiva-krishna-966661242 | GitHub: github.com/shivakrishna69

Full Stack Gen AI Developer with hands-on experience building RAG systems, agentic workflows, MCP servers and voice AI applications. Experienced in taking LLM solutions from prototype to production with Python, FastAPI, React and AWS. Strong in prompt engineering, vector search and multi-agent orchestration.

Skills

- **Gen AI & LLM:** RAG, Agentic AI, Multi-Agent Systems, MCP (Model Context Protocol), Prompt Engineering, Tool/Function Calling, Embeddings, Fine-Tuning, LLM Evaluation
- **Frameworks & Agents:** LangChain, LangSmith, CrewAI, Microsoft AutoGen, n8n, Hugging Face
- **LLMs & Vector DBs:** OpenAI (GPT-4o), Claude, Llama, Mistral, Gemma, Qwen, Groq, Ollama; Pinecone, Chroma, FAISS
- **Languages & Backend:** Python, TypeScript, JavaScript, FastAPI, Flask, Node.js, Express.js, REST APIs, WebSockets
- **Frontend & Design:** React, Web Development (HTML/CSS/JS), WordPress, Figma, UX/UI Design
- **Cloud, Data & DevOps:** AWS (S3, Lambda, Cognito), Docker, MongoDB, Redis, Streamlit, Gradio

Professional Experience

Full Stack Gen AI Developer | Suzva Software Technologies Pvt Ltd **2025 – Present**

- **Aivonis – Voice AI & Agentic RAG SaaS:** Real-time phone AI agents with tenant-isolated knowledge retrieval, built on Twilio, Pinecone, OpenAI, FastAPI and React.
- **Medical AI Assistant (RAG):** Question answering over medical PDFs using GPT-4o, LangChain, OpenAI embeddings and Chroma semantic search.
- **Agentic Stock Analysis (CrewAI):** Analyst and Trader agents on Llama 3.3 70B (Groq) using live yfinance data to give Buy/Sell/Hold recommendations.
- **Custom MCP Server:** Python MCP server exposing a weather tool via OpenWeatherMap API, integrated with Claude Desktop.

UX/UI Developer | Cogniron Technologies Pvt Ltd **2024 – 2025**

- Designed and built responsive, user-focused web interfaces using Figma, HTML/CSS/JavaScript and WordPress for multiple client websites.
- Delivered UI layouts, forms, and multi-level navigation across EdTech, IT services and construction domains.

Education

B.Tech, ECE | Vaagdevi Engineering College, Warangal **2020 – 2023**

Certifications

Gen AI & Agentic AI Using Python | Naresh IT **2026**

AI & ChatGPT Tools Expertise | be10x **2025**

UX/UI Developer Expertise Certificate **2024**

Web Development | Manac Infotech Private Limited **2023**
